

## How to start a Dads in Prayer Group

- Pray that the LORD brings you another dad willing to meet with you each week for prayer.
- Be willing to adhere to the small group guidelines without wavering.
- Read and agree with the Dads in Prayer Statement of Faith.
- Make a list of prospective dads and ask them to join your prayer time.
- Visit [www.dadsinprayer.org](http://www.dadsinprayer.org) to register your group. This will enable us to refer interested dads to your group, as well as send news and updates from the ministry.
- Encourage each group member to register online.
- Visit [www.dadsinprayer.org](http://www.dadsinprayer.org) for devotional materials for your weekly prayer meetings.
- Trust the LORD for answers to prayer, focus on Him and expect great things to happen.
- Know you have the support of the Dads in Prayer leadership team to assist you upon request.
- Abide by the policies of the ministry.
